

Everyone must wear a face covering on public transport

How to put your face covering on safely

Clean your hands and then place mask or face covering over your nose, mouth and chin, and ensure that it is secure.

You must wear a face covering for the entire journey

Avoid touching your face, the front of your face covering, or removing your face covering while you are on board.

Carefully dispose or wash your face covering

Dispose of single use face coverings in a waste bin, or wash and dry your reusable one. Remember to clean your hands after use.
