

**MEMORANDUM FOR TECHNICAL COOPERATION
BETWEEN
THE CIVIL AVIATION AUTHORITY OF MONGOLIA
AND
THE CIVIL AVIATION AUTHORITY OF NEW ZEALAND
CONCERNING
CIVIL AVIATION SAFETY**

OBJECTIVE

The Civil Aviation Authority of Mongolia and the Civil Aviation Authority of New Zealand, mindful of the mutual benefits that could accrue from improved cooperation in implementation of the International Civil Aviation Organisation Resolution on Global Rule Harmonisation, which urges States and groups of States to promote global harmonisation of national rules,

Agree to pursue harmonised aviation standards, rules, procedures, and processes to minimise, and as far as possible eliminate, national variations,

Provided that the high level of safety of civil aviation operations in Mongolia and in New Zealand is not compromised in any way whatsoever.

CONSULTATIVE MECHANISM

The Civil Aviation Authority of Mongolia and the Civil Aviation Authority of New Zealand adopt the following process to realise the objective of this Memorandum of Technical Cooperation:

The two organisations will develop cooperative programmes in the areas of:

- personnel licensing standards and commercial air services operating standards;
- communications, navigation, and surveillance and air traffic management;
- aviation security.

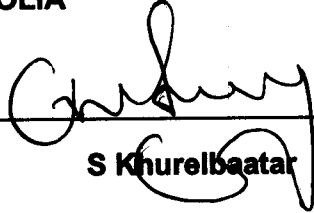

COOPERATION WITH OTHER STATES

The Civil Aviation Authority of Mongolia and the Civil Aviation Authority of New Zealand will use their best efforts to encourage similar cooperation with other States for the implementation of the International Civil Aviation Organisation Global Rule Harmonisation Resolution.

Civil aviation authorities of States whose standards of civil aviation safety are sufficiently similar to those of the Civil Aviation Authority of Mongolia and the Civil Aviation Authority of New Zealand may be invited to be parties to appropriately amended versions of this Memorandum of Technical Cooperation or other Memorandums of Technical Cooperation with generally similar objectives.
