

Part 47 notice to deregister an aircraft

For aircraft no longer in use in New Zealand

Information for completing this form

This form is used to notify the Civil Aviation Authority (CAA) to cancel an aircraft entry on the New Zealand Register of Aircraft (the Register).

Submitting this form will remove the aircraft from the Register and any documents associated with the aircraft will be revoked as per section 101(2) of the Civil Aviation Act 2023.

For CAA to complete deregistration:

- all current and outstanding invoices need to be paid (including the Annual Registration Fee and Participation Levy)
- the Certificate of Registration and Certificate of Airworthiness or Flight Permit (if applicable) must be voided (this can be done by crossing through the face of the certificate)
