Harmonisation workshop (Timetable for routine examinations)	Claude Preitner
<ul style="list-style-type: none"> • Getting a simple appeal process in place to deal with vexatious medical cancellations - eg pulling it because you go to your doc for cold medication • How the PPL medical review going? it seems to be dead in the water - or possibly the legislation pile! • Paying much more attention to mental health as part of medical assessment • Clarifying and publishing accepted standards for all medical conditions that may affect your licence. Currently it seems to depend on the whim of the medical officer who reads your report. 	Bruce Burdekin
