

NAVIGABLE AIRSPACE DETERMINATION: Precast HQ Limited- Crawler Crane 67-71 Fred Taylor Drive Auckland

PURSUANT TO Rule Part 77 of the Civil Aviation Rules I, Sean Turangarau Kere Rogers, Manager Aeronautical Services, having received from Precast HQ Limited, notification of intention to construct a 26 metre high crawler crane, conducted an aeronautical study in consultation with such persons, representatives and organisations as I considered appropriate.

After completing the aeronautical study, I am satisfied that the proposed action, if executed, would not constitute a hazard in navigable airspace.

THEREFORE I HEREBY ISSUE a

DETERMINATION OF NO HAZARD IN NAVIGABLE AIRSPACE

in respect of the above notification.

The following conditions are specific to this Determination:

1. The crane is to be equipped with an obstacle light located at the highest point of the crane in accordance with Civil Aviation Rule Part 77, Appendix B. The light must be operational at all times that the crane is in use; and
2. The crane operation is to be limited to Daylight Hours only; and
3. Precast HQ limited must coordinate with RNZAF Whenuapai base operations and abide by any additional conditions imposed to ensure the safe operation of the crane; and
4. Precast HQ must advise CAA once the crane operation is complete.

This Determination of No Hazard shall become final on 14th September 2018 unless a petition for review is received by the Director prior to that date.

This Determination of No Hazard shall expire on 14th February 2020.

Dated at Wellington this 14th day of August 2018.

Sean Turangarau Kere Rogers
Manager Aeronautical Services
(DW1351095-0)

The provisions of this determination are in addition to and not in derogation of the provisions of any other Act, or any orders or regulations made thereunder
