

NAVIGABLE AIRSPACE DETERMINATION: Shundi Customs Limited Construction Project 87 Customs Street East AKL

PURSUANT TO Rule Part 77 of the Civil Aviation Rules I, Sean Turangarau Rogers, Manager Aeronautical Services, having received from Shundi Customs Limited, notification of intention to construct a residential tower at 87 Customs Street East, Auckland, conducted an aeronautical study in consultation with such persons, representatives and organisations as I considered appropriate.

After completing the aeronautical study, I am satisfied that the proposed action, if executed, could constitute a hazard in navigable airspace.

THEREFORE I HEREBY ISSUE a

DETERMINATION OF HAZARD IN NAVIGABLE AIRSPACE

in respect of the above notification.

The following conditions are specific to this Determination:

1. The tower is to be equipped with two medium intensity obstacle lights, located at the highest points of the tower at each edge of the mega frame apex (one to the north and one to the south) in accordance with Civil Aviation Rule Part 77 Appendix B. The lights must be operational at all times; and
2. Shundi Customs Ltd is to provide the tower obstacle data including height, geometry and lighting to Aeronautical Information Management at Aeropath Ltd, to allow entry into the aeronautical obstacle database and publishing of the tower on aeronautical charts.

This Determination of Hazard shall become final on 7th day of May 2018 unless a petition for review is received by the Director prior to that date.

This Determination of Hazard shall not expire but may be revoked, in writing, by the Director.

Dated at Wellington this 9th day of April 2018.

Sean Turangarau Rogers
Manager Aeronautical Services
(DW1349118-0)

The provisions of this determination are in addition to and not in derogation of the provisions of any other Act, or any orders or regulations made thereunder.
