

NAVIGABLE AIRSPACE DETERMINATION: Waide Commercial Construction Ltd - Tower Crane for Nuffield Residences Project Auckland

PURSUANT TO Rule Part 77 of the Civil Aviation Rules I, Sean Turangarau Kere Rogers, Manager Aeronautical Services, having received from Waide Commercial Construction Ltd, notification of intention to operate a 64 metre high crane at 85 Nuffield St, Newmarket, conducted an aeronautical study in consultation with such persons, representatives and organisations as I considered appropriate.

After completing the aeronautical study, I am satisfied that the proposed action, if executed, would not constitute a hazard in navigable airspace.

THEREFORE I HEREBY ISSUE a

DETERMINATION OF NO HAZARD IN NAVIGABLE AIRSPACE

in respect of the above notification.

The following conditions are specific to this Determination:

1. The cranes at the site must each be equipped with a medium intensity flashing red light located at the highest available point on each crane, in accordance with CAR Part 77, Appendix B. These lights must be operational at all times; and
2. The proponent is to notify the CAA that the operation has ceased, as soon as possible after the cranes have been dismantled.

This Determination of No Hazard shall become final on 21 December 2017 unless a petition for review is received by the Director prior to that date.

This Determination of No Hazard shall expire on 1 December 2018.

Dated at Wellington this 6th day of December 2017.

Sean Turangarau Kere Rogers
Manager Aeronautical Services
